3.1	The number of people(√) living in a km ² (√)	2	Middle
3.2	Australia	1	Middle
3.3	Freezing climate	1	High
3.4	Europe	1	Middle
3.5	India and China	2	High

Question 4

<u>Question</u>	Answer	Mark allocation	Level
4.1	<p>Intro: Placing a factory/business in the correct place will save time, save money, make more profit, and make life easier for the people working there.</p> <p>Body: Time will be saved if it is quick and easy for people to get to work and the necessary materials are close by. This cuts down on wasted time spent travelling and money spent on petrol. Being near a source of water is convenient as is living near a densely populated area, which allows for a bigger choice of employees. Flat ground is easier to build on and low-lying ground is warmer climate. Space for expansion...</p> <p>Conclusion: I have chosen _____ (place/province/city) because it has.../is near.../will be most profitable because ...is most convenient because of...</p>	5	High
